**OFFICE MEMORANDUM**

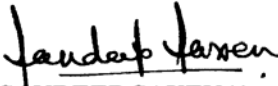

**Sub: Forwarding of application of deputation in respect of JAOs/AAOs/  
PAOs/SrAOs.**

It has been observed that in some cases application for various deputation posts outside the cadre were forwarded by some JAOs/AAOs or their officers directly to the borrowing departments without getting the cadre clearance from the CGA office. This has resulted in a situation where the borrowing departments have considered such candidates for deputation posts without Cadre clearance. The borrowing departments seek ex-post-facto cadre clearance from this office and in such cases it becomes difficult for this office to give cadre clearance/NOC.

In this connection, it is clarified that C.G.A. is the Cadre Controlling Authority for JAOs/AAOs/AOs/SrAOs, and application for deputation outside must not be sent by individual officials and their officers in anticipation of the Cadre Clearance from CGA's office.

It may, therefore, kindly be brought to the notice of all that no request for ex-post facto Cadre Clearance will be entertained in the cases where prior cadre clearance has not been obtained from CGA office.

This issues with the approval of CGA.
